## **RULES AND REGULATIONS**

We are pleased that you have decided to sharpen your skills and learn more about your car. Before you get out on the track, there are a few things that must be covered.

### **RULES OF THE ROAD**

The most important thing to remember is that this is not a race. There are no positions and no prize money. If you are driving competitively or in violation of the rules below, you will be asked to leave the track and the facility with no refund. There are **NO EXCEPTIONS**.

- Drivers will be grouped by experience.
- Each group session will last no longer than 20 minutes.
- Passing will be allowed only on the front straight, between turns 7 and 8 and between turns 9 and 10
- Novice drivers will be paired with instructors until such time as they are safe and proficient to drive alone.
- Erratic drivers, regardless of experience, will be black flagged and either ejected from the event.
- Snell M or SA2000 or newer helmets are required.
- Instructor/official instructions must be obeyed at all times
- If you run off track or spin, you must proceed directly into pit lane.
- Interior of vehicle must be cleared of all loose objects. Seat belts, long pants, short sleeved shirts, and closed toed shoes must be worn at all times.
- No Minors (17 years old or younger) will be allowed on track.

### **FLAGS**

Below is a list of the flags that we will be using this evening for the event. Please take time to learn the flags, and take time to locate the corner stations on your first lap out.

- Blue Flag with Yellow Stripe – there is a faster car behind you; allow them to pass at the next straightaway.
- Yellow Flag – there is an incident in the area, slow down in a controlled manner.
- Black Flag – proceed at a slower pace to pit lane for further instruction.
- Checkered Flag – end of the session, proceed slowly to pit lane.

## **Driver Requirements**

- All drivers must show current, legal drivers license.
- All drivers must explain their on-track experience.
- Novice drivers will be paired with an instructor until such time as they are safe and proficient to drive alone
