Wednesday, August 11
Wednesday, September 1
Sunday, September 12

Rules and Regulations

We are pleased that you have decided to sharpen your skills and learn more about your car. Before you get out on the track, there are a few things that must be covered.

RULES OF THE ROAD

The most important thing to remember is that this is not a race. There are no positions and no prize money. If you are driving competitively or in violation of the rules below, you will be asked to leave the track and the facility with no refund. There are NO EXCEPTIONS.

- Drivers will be grouped by experience.
- Each group session will last no longer than 20 minutes.
- Passing will be allowed only on the front straight, between turns 7 and 8 and between turns 9 and 10.
- Novice drivers may be paired with instructors until such time as they are proficient to drive alone.
- Erratic drivers, regardless of experience, will be black flagged and may be ejected from the event.
- Instructor/official instructions must be obeyed at all times.
- If you run off track (4-wheels off) or spin, you must proceed directly into pit lane.
- No Minors (17 years old or younger) will be allowed on track.
- Passengers, except instructors, are not permitted.
- Absolutely no racing will be tolerated.

FLAGS

Below is a list of the flags that we will be using for the event. Please take time to learn the flags, and take time to locate the corner stations on your first lap out.

- Blue Flag with Yellow Stripe – there is a faster car behind you; allow them to pass at the next passing zone.
- Yellow Flag – there is an incident in the area, slow down in a controlled manner.
- Black Flag – proceed at a slower pace to pit lane for further instruction.
- Checkered Flag – end of the session, proceed slowly to pit lane.

DRIVER REQUIREMENTS

- All drivers must show current, legal driver's license.
- All drivers must explain their on-track experience.
- Snell SA or M, 2000 or newer rated helmets are required.
- Seat belts, long pants, short sleeved shirts, and closed toed shoes must be worn at all times.

TECH INSPECTION

All cars must conform to the following;

- Battery tied down and secure.
- Fluid reservoirs secured and capped.
- Tire depth acceptable (3/32 of an inch minimum).
- Tires in satisfactory condition (no visible patches, blisters, etc.).
- No lug nuts may be missing. Wheels must be in satisfactory condition.
- Brake lights working.
- Convertible cars must have a roll bar.
- Seatbelts in satisfactory condition.
- Brake fluid reservoir must be filled to the manufacturer's specifications.
- Exhaust systems must be secured.
- Interior must be clear of all loose objects. Interior items must be secured or removed.
- License plate and current registration sticker on car.
- Proof of insurance.

RACE CAR GROUP (RUN ON SUNDAY ONLY)

A group will be run specifically for racecars during Sunday's events. All racecars must comply with the following;

- Production-based cars only, (no open wheel cars).
- Must comply with the applicable sanctioning body safety rules and have a valid annual inspection (PCA, NASA, SCCA, etc.).
- Drivers must wear safety equipment (suit, gloves, shoes, etc.) per their sanctioning body requirements.
